EXPERIENCE

PROPHET

Senior Associate, Growth Strategy

Associate, Growth Strategy

Intern

New York, NY

2026–Present

2024–2026

2022

- Designed and implemented AI-powered research methodology for \$400B+ AUM firm, building interactive education hub and conducting live enablement sessions, resulting in purchase and adoption of two new AI tools
- Developed brand, marketing, and product strategy across brand portfolio for Fortune 500 CPG firm through in-home qual, 5,000-person quant, and product-level analysis, leading to new brand trademark and \$1B acquisition
- Launched \$5M omnichannel campaign for \$370B+ healthcare firm, driving research, creative, and media from concept to market, beating benchmarks, contributing to 6-point favorability lift, and securing client retainer
- Diagnosed funnel drop-off for global wealth manager across Germany and U.S., building audience-specific marketing and sales strategies to increase lead volume and conversion, generating \$500K in follow-on work
- Identified firm-wide AI knowledge gap, independently built training curriculum, and pitched to Chief Digital Officer; now mandatory for 500+ global employees

IMPULSUM VENTURE COLAB

Venture Analyst Intern

Remote

2022

- Conducted diligence and founder meetings, working directly with Managing Partner on successful fund investment
- Authored LP memos on investments, translating diligence into thesis-driven narratives
- Built automated database tracking 150+ startups to centralize diligence metrics and streamline benchmarking

UNIVERSITY SKATE COLLECTIVE

Founder and President

Ann Arbor, MI

2019–2023

- Founded organization, securing \$10K+ in funding and curating events to grow membership to 500+ in first year
- Led negotiations with student government and university president to legalize skateboarding on campus

EDUCATION

UNIVERSITY OF MICHIGAN

Stephen M. Ross School of Business — Bachelor of Business Administration, 2023

GPA: 3.9/4.0, cum laude • Emphasis in Business Strategy and Psychology

Ann Arbor, MI

ADDITIONAL

- Startup-focused content creator, producing videos and written breakdowns of early-stage innovation, generating ~100K total views; rebuilding with AI-automated production
- Magician, engaging live audiences at private events and via cold-approach street magic using psychology, storytelling, and improvisation
